The Seven Keys To Life —

Steps

leading the way

to every person's goal in life.

Drum Major, Mike McDermitt with baton in hand leads the Maryvale High School Marching Band

around the football field and toward the grandstands preceding the homecoming football game.

The reward of a great goal was achieved by last year's Panthorian cover award. It was presented for most effective use of color.

No matter

how many,

how few,

how large,

how small,

how great,

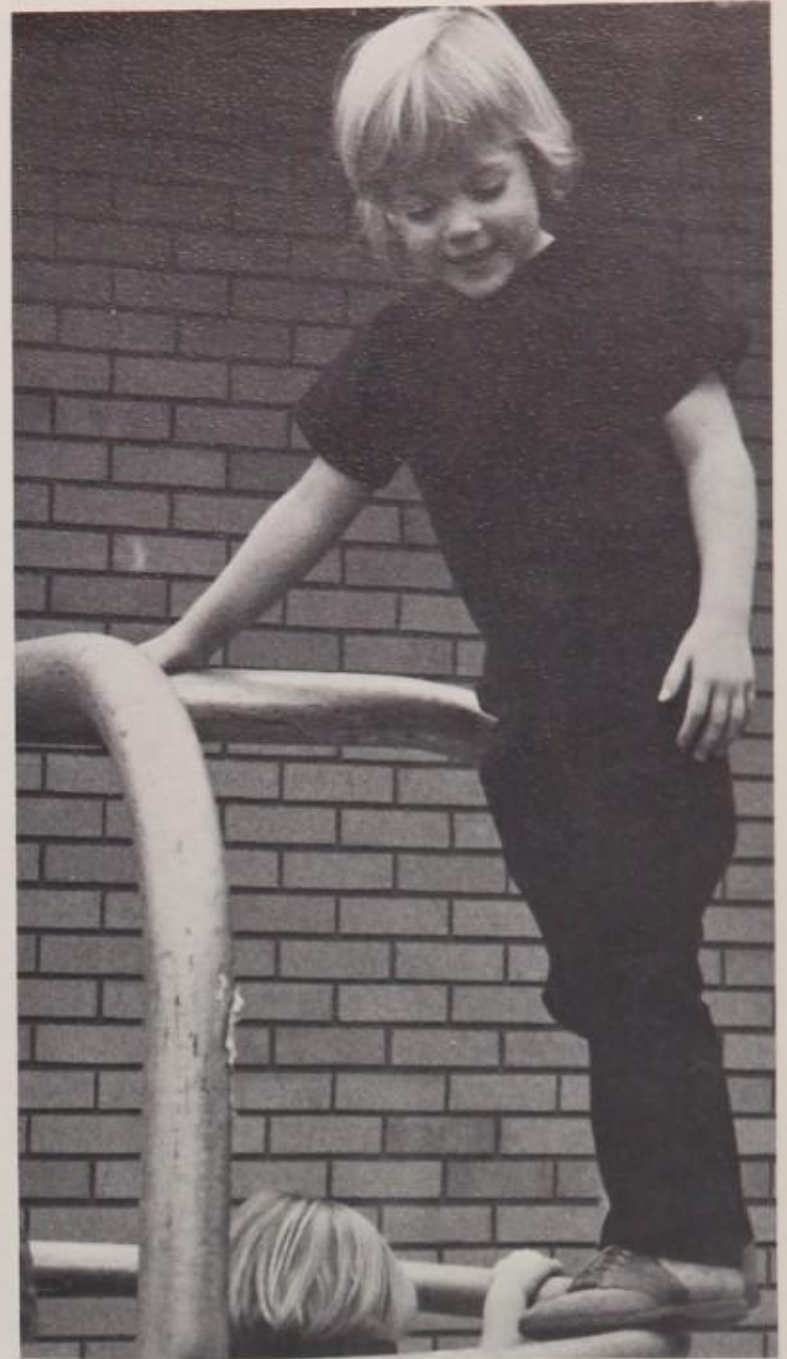

or how dull

these personal goals may be,

they can all be attained

by following

these keys . . .

No matter how small the goal, attaining it is a great thrill as Jody Whitcomb shows by her expression.

The first key is GUIDANCE.

During a persons youth,

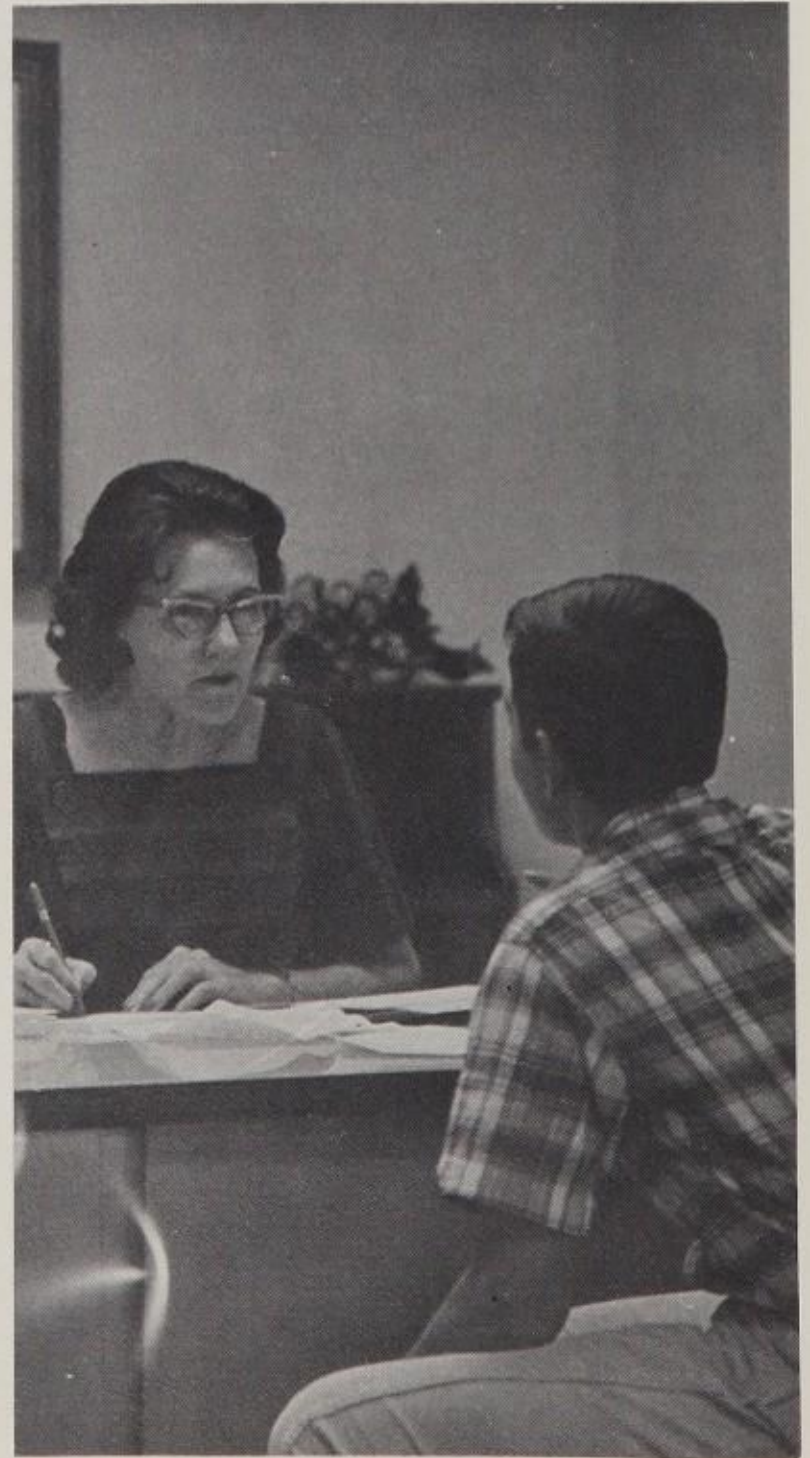

he is slowly

but steadily

being developed into an individual.

Head Coach Carl Rollins finds a flaw in the Panther defense and sends Bill Garman in with some vital instructions.

Mrs. Lu Boyle consults with Doug Kearney on a problem in his schedule for next year.

In search of a book for a term paper, Casey Kishel looks through the card catalogue in the library.

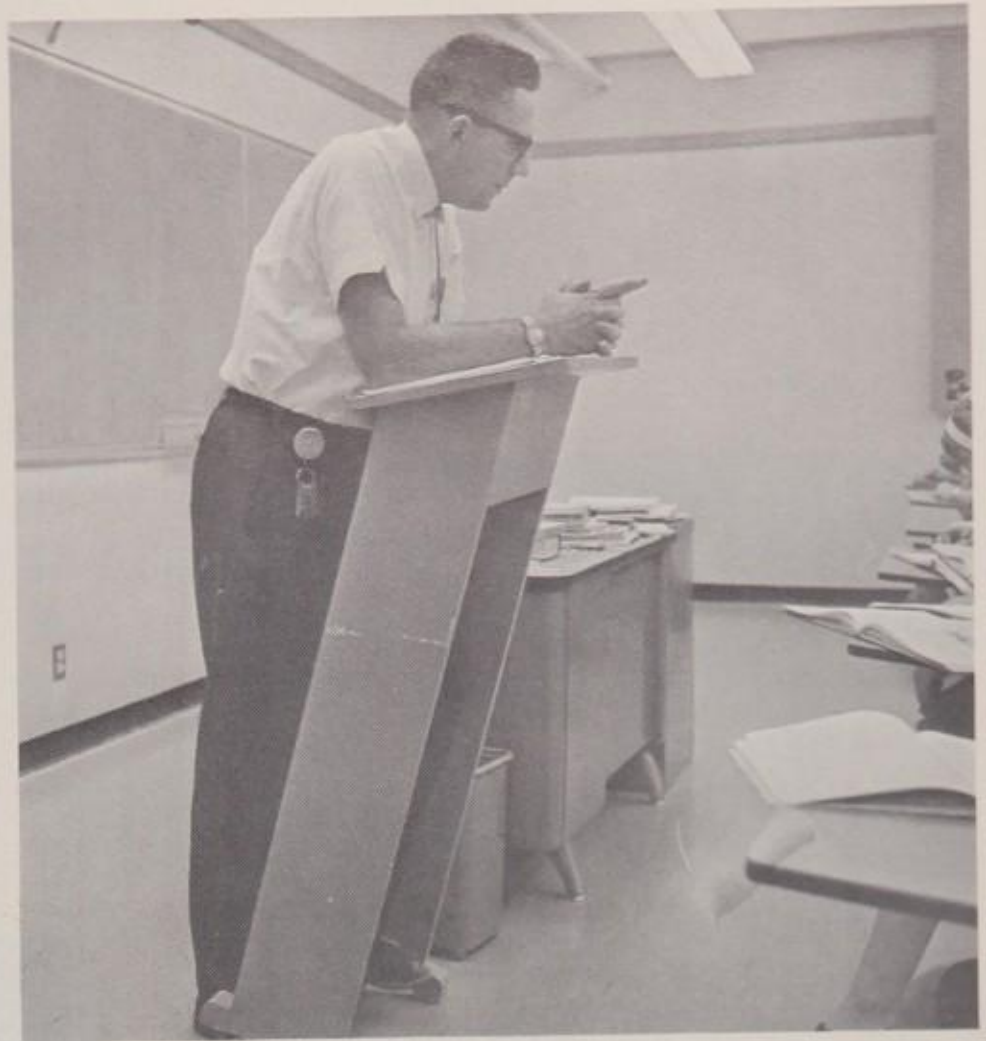

Education

creates the adult

and gives him the

grasping hunger

for more knowledge.

Mr. Theodore Woods, striking his familiar "leaning tower" stance, as he lectures to his first year Latin class.

This knowledge is conveyed

from teachers

to students

and as a result —

a complete

and dynamic being

is created.

Mr. Frank Gilleland, Maryvale's physics instructor, takes time to assist two students in their lab experiment.

The second key is RELAXATION.

An important part of every students life —

providing the individual

with diversions

from the pressure and monotony

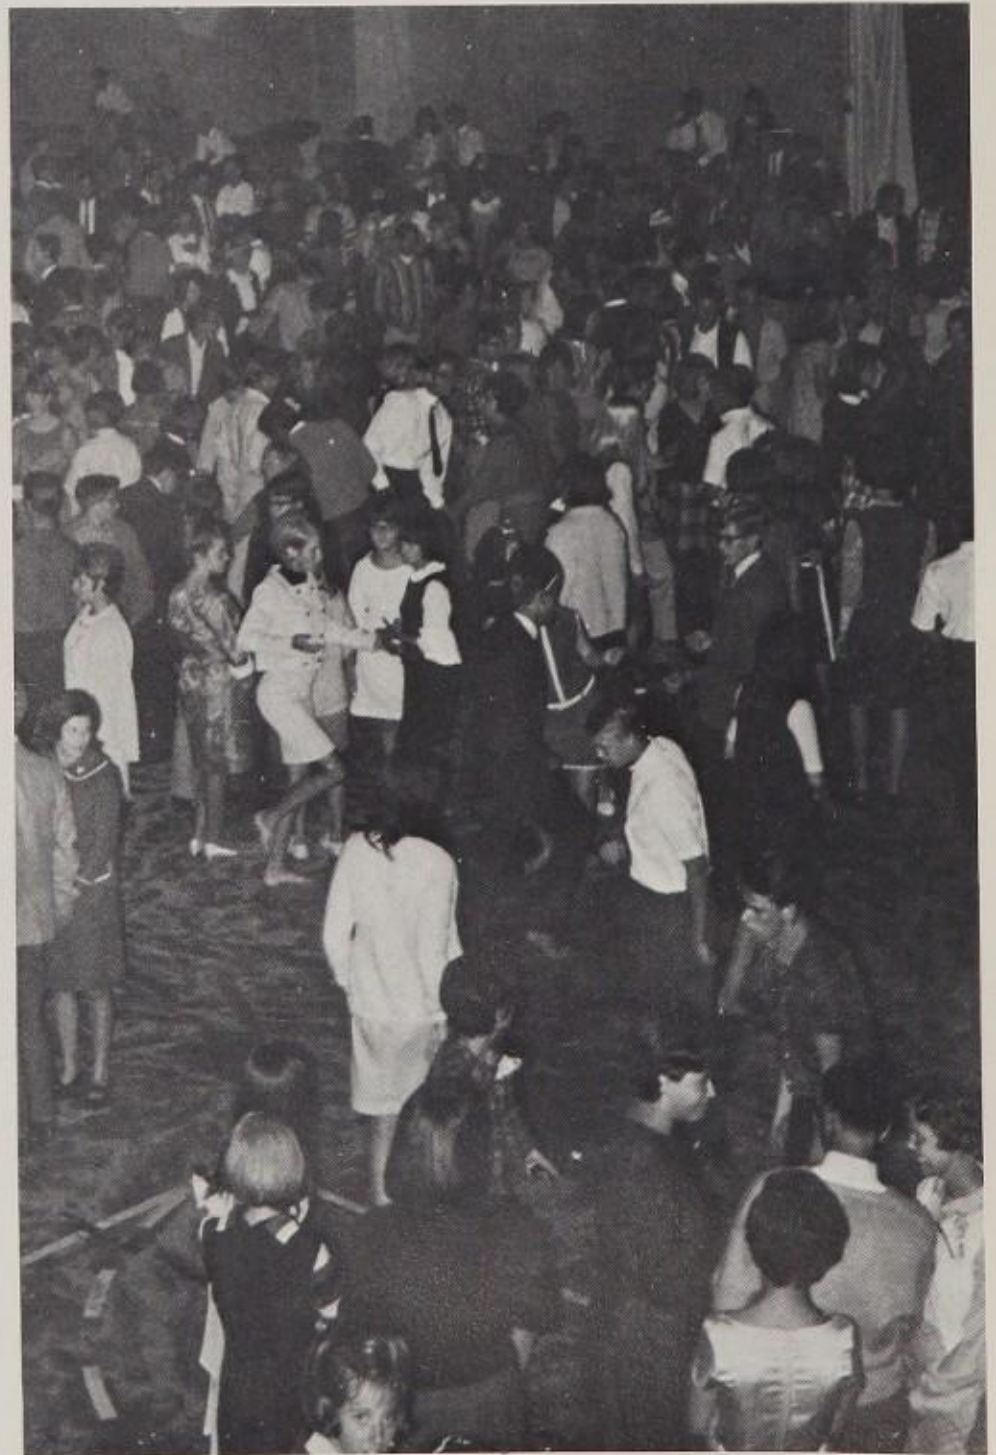

of every day school life.

Chess provided many students with an out of the ordinary departure of every day school life.

A scene from "See How They Run", is an example of the many kinds of entertainment.

Another twist adding to the enjoyment of the students were the many dances which were sponsored by various organizations.

The third key is SPORTSMANSHIP.

Whatever

the sport may be,

all participating athletes

should have the spirit

to accept defeat

with fortitude

and victory

with humility.

Whether or not a person wins or loses in athletic competition, good sportsmanship is the key.

Maryvale's Homecoming Game against the Camel-back Spartans shows the school spirit that the

students exuberated. The Panthers won a crucial game, coming from behind to defeat the Spartans.

The fourth key is LEADERSHIP.

An inner drive

to work harder,

to learn, and

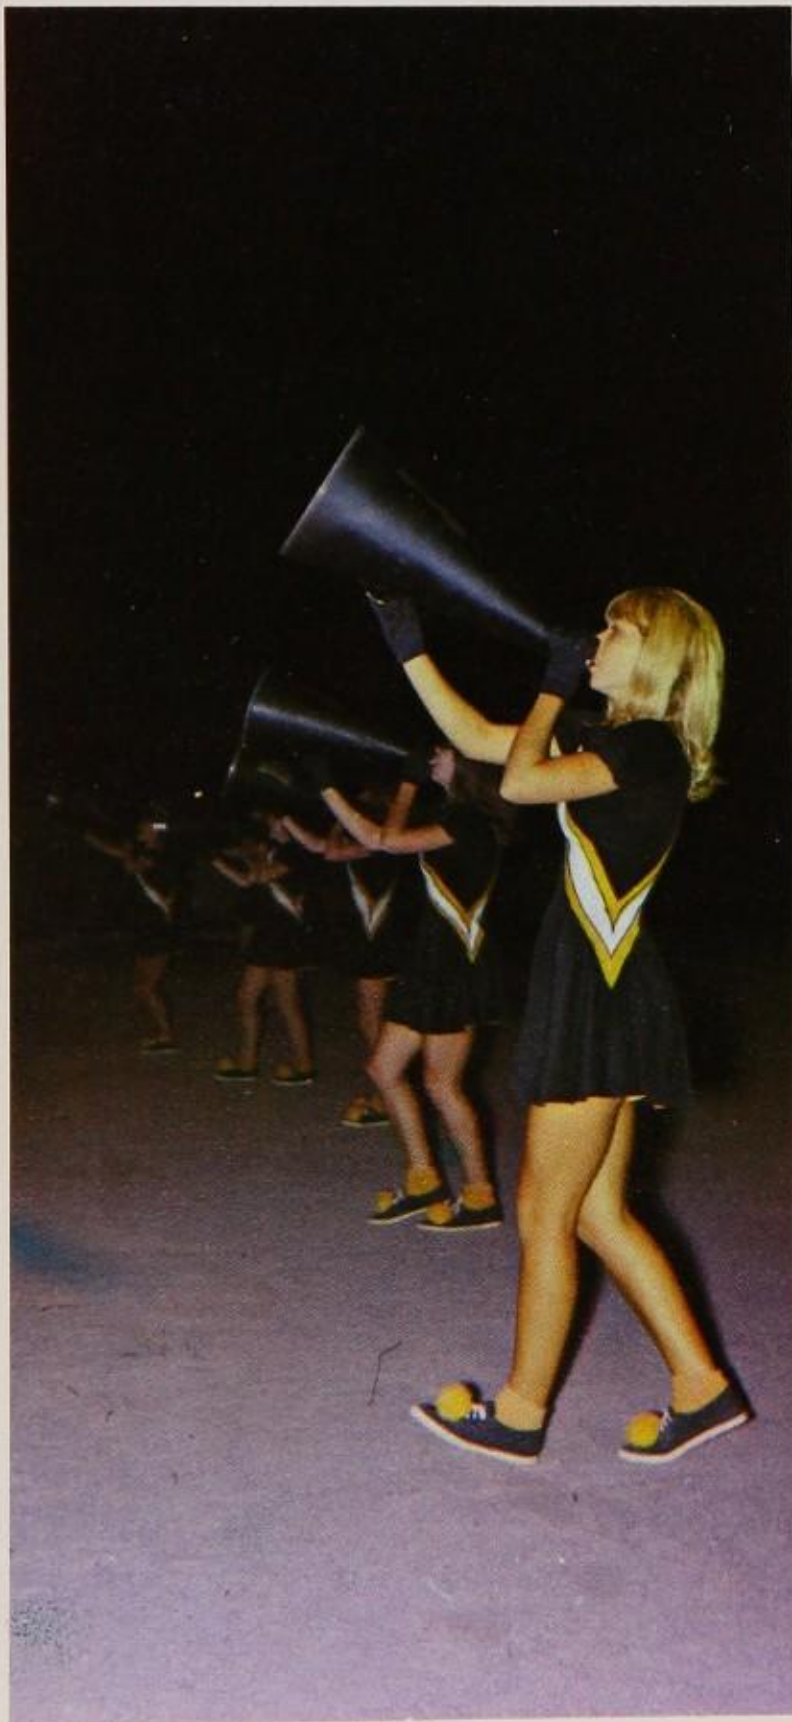

to accomplish more.

A consistent strive

to step above the ordinary

and to establish recognition

among society.

Cheerleader Pat Motte leads the student crowd in a cheer and implores them to yell louder.

Bud Gammill, Maryvale's Student Body President, leads a group of students in a couple of cheers at one of Maryvale's rallies.

The fifth key is PARTICIPATION.

An act of cooperation among students,

a sharing of ideas,

hopes,

and fears,

and an unselfish sacrifice

of ones self for others.

Part of the color of the pre-game ceremonies of every football game is the raising of the American

flag. The Kings Club conducted this important function before the kickoff of every home game.

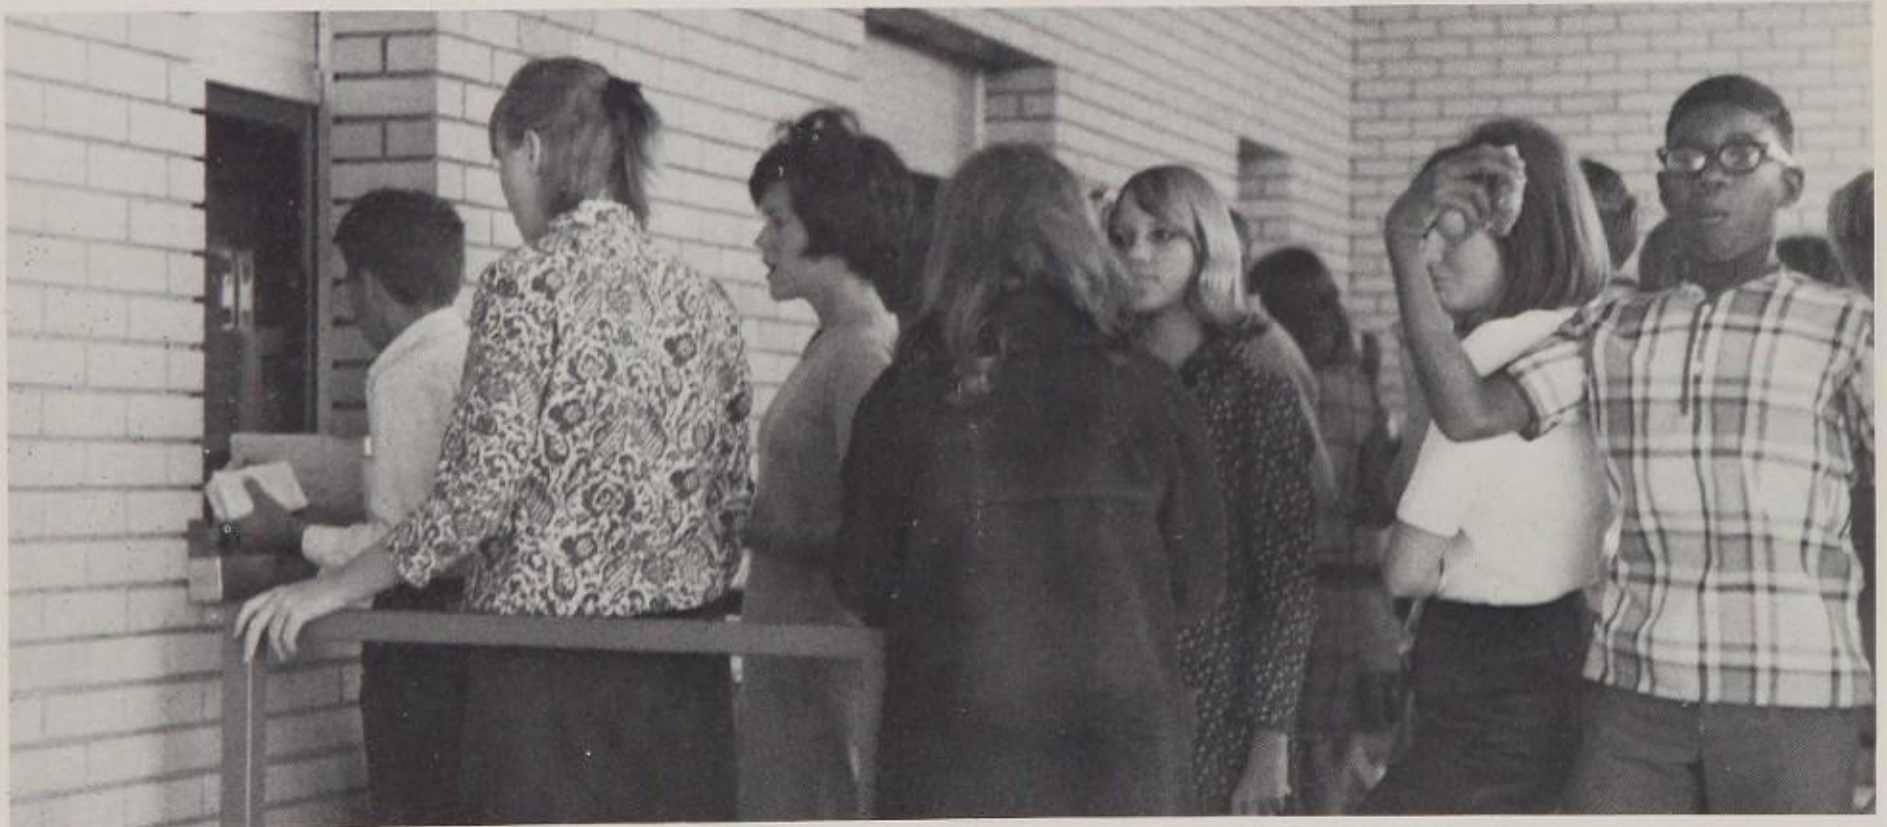

The sixth key is FELLOWSHIP.

Brief encounters in the halls,

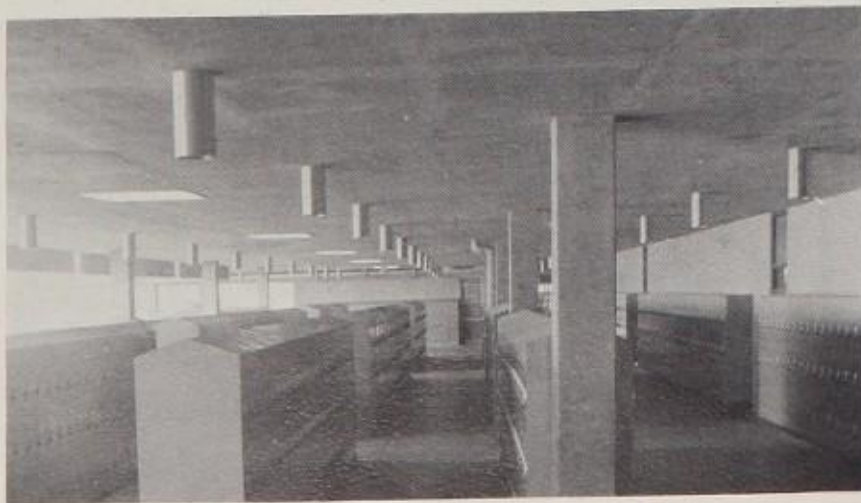

eagerness to help a pal out of a squeeze,

learning to work with others,

and an acceptance of responsibility in the classes.

This year, Maryvale lengthened its lunch periods to three in order to alleviate the congestion.

Before the bell is about to ring, the locker area in the heart of the MHS campus is empty.

A few minutes later, after the bell has rung, students hurry to get to their lockers.

The seventh key is COMMUNITY SPIRIT.

A willingness to serve through cooperation

in social activities

and honesty in dealing with others

as well as friendly competition.

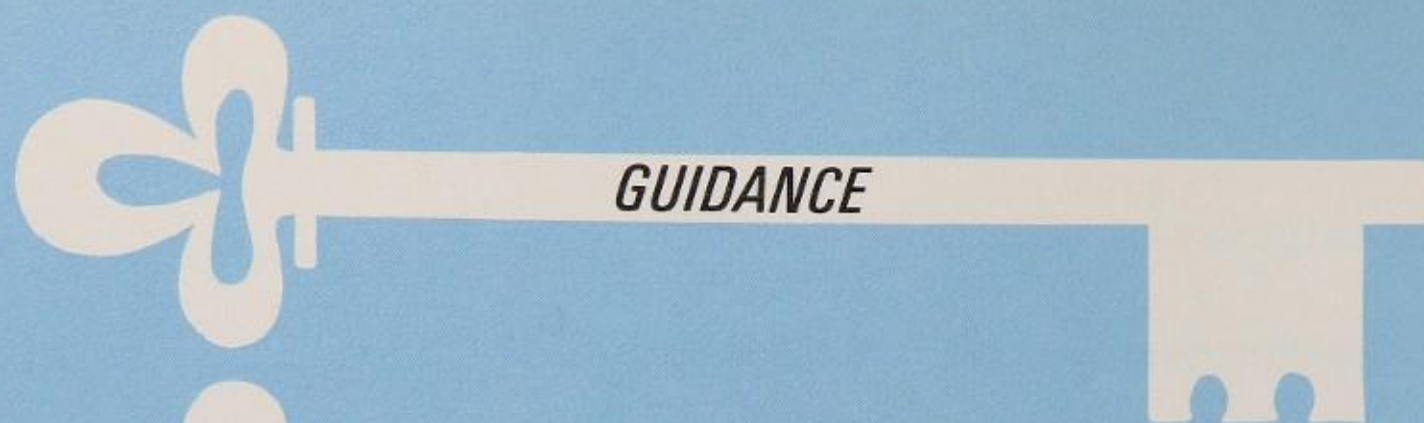

Mr. Frank Gilleland shows how the community reacts to Maryvale's team.

Parents meet with the Board of Education to discuss double sessions at MHS.

Former Sen. Barry M. Goldwater spoke to Arizona teens on the part they can still play in "Save Camelback Mountain" campaign.

Commemorative Medal Honors Maryvale Principal

Mr. Magnusson goes through one of his daily routines of checking a citizenship report on a student.

Mr. Burnett was awarded one of three commemorative medals. It is presented by Mr. Kope to a most distinguished educator.

Maryvale's principal received one of the United States' Marine Corps Reserve's three commemorative medals awarded in Phoenix this year. Presented by Captain Lanny Kope, the medal commemorated the 50th anniversary of the Reserve and named Mr. Louis E. Burnett as a most distinguished educator.

A teacher in Texas at 18, an instructor of Air Force Navigation during WWII, a member of the Phoenix office of Price Administration in 1944, head of the academic division of PUH's Phoenix Technical School and assistant principal of Camelback High School are among his past positions. Mr. Burnett has been principal of Maryvale since 1962.

Five unpaid members and the district superintendant comprise the PUHS Board of Education which meets bi-weekly to discuss and solve problems arising in the system. Dr. Robert Shapiro, a psychiatrist and formerly the director of the Maricopa Child Guidance Center, replaced attorney Frank Haze Burch on the Board. Dr. Howard C. Seymour, superintendent, Mr. Trevor Browne, Reverend William Bostrom, Mr. John Armer, and Mrs. C. A. Lakin are other members.

A graduate of Mesa High School and formerly an All-American football player, Mr. Bernard Magnusson is MHS' dean of boys, athletic director, and supervisor of all activities on campus. Newcomers Join Counselors

Mr. Donald Williamson and Mr. Al Hasbach, newcomers to MHS' guidance department, are two of eight counselors who strive to help students with problems that arise during the school year.

In addition to offering guidance, Maryvale's counselors also administer the Iowa Tests of Educational Development to

freshmen and the Preliminary Scholastic Aptitude Tests to juniors.

Seniors are informed of the dates and the locations in which to take the ACTs and the SATs, and arrangements are made with college and university representatives to visit and speak with MHS juniors and seniors.

Mr. Kope consults with senior Susan Westberg on her ACT scores.

A very vital part of the counselors work was to administer freshmen tests.

Third Year Latin, Fourth Year Spanish Offered

Foreign languages enable students to gain new vocabularies and to become acquainted with the cultures of countries whose native tongues are those which the students are studying. MHS' language department employed the conversationalist method again this year as it has proven to be the most effective. With the additions of a third year Latin course and a fourth year Spanish course, language courses available at Maryvale were Spanish I through IV, French I through III, and Latin I through III.

Mrs. Bernadette Choate, new to MHS last year was head of the department which offered instruction to students in beginning art, graphics, sculpture, ceramics, drawing technique, and painting.

Opportunities for expressing musical feeling and thought were extended to Maryvale students in five choirs, two orchestras, and four bands, ranging from beginning to varsity to concert talent. Quartets, ensembles, and the Madrigal singers added to the musical accomplishments of Maryvale, and music appreciation class was offered to develop greater appreciation for all facets of music.

Introduced into Maryvale's math department this year was an experimental Algebra I course to which nearly 100 students were assigned and which was taught by Mr. Joshua Bursh and Mr. Warren Kessinger,

Mr. Snodgrass shows an expression of bewilderment as he tries to explain the answer to this problem to his students.

Biologists Move To Auditorium

Maryvale's science department, with 14 instructors, was the largest in the Phoenix Union High School District this year. Crowded conditions forced the relinquishment of Maryvale's Physics A and Chemistry A classes and encouraged a team teaching biology program in the auditorium.

Mr. John Strickland and Mr. H. Ross Watson lectured about 330 students three days a week and established the remaining two days a week as study periods.

Students had greater opportunities for individual help than was possible in a regular class as they were permitted to come into the biology laboratory at least three times a week during their study hall for extra help and to perform experiments.

Mr. Strickland and Mr. Watson taught biology classes in the auditorium on a team teaching basis this past year.

Golf Offered By Physical Education Department

Members of the Girls Physical Education class start doing limbering exercises before going to play badminton.

Limited space and crowded conditions caused the restraint of some activities offered in MHS' Boys' Physical Education Department. Nevertheless, golf was added, and Badminton remained in junior and senior classes. Replacing Mr. Dick Pilch as Maryvale's varsity football line coach was Mr. Veran Smith from Utah State University.

Headed by Miss Norma Price, the Girls' P.E. staff selected, again this year, highly skilled juniors and seniors to be enrolled in an advanced P.E. class.

Mr. Froese had a free period during which time he visited, assisted, and advised other indus-

trial arts' department heads in the district on curricula, budgets, and equipment.

Courses in the industrial arts department were general shop, drafting, wood shop, metal shop, auto shop, and electric shop.

Students Strive To Understand People Of All Ages

Desiring to know more people, their development, how they learn and how they think, close to 350 seniors crowded into the nine human relations classes taught at Maryvale.

Teachers of the course strived to help students understand

people of all age levels and to accept the responsibilities of family and social relationships.

Other areas of Home Ec were child development, home management and interior decorating, clothing, and foods and nutrition.

STUDENT LIFE

Maryvale students plunge through crowded halls during the five minute breaks between classes, signifying the extremely overcrowded conditions experienced during the past year.

During the class hours, in contrast, the locker area and the center mall prove to be quite desolate.

To relieve the mass confusion, Maryvale was forced to go on extended sessions and to make further preparations for double sessions in the upcoming year.

Mikado Cast Creates Japan Of Bygone Era

Involving 200 people in its production, the Gilbert and Sullivan musical comedy, "Mikado," revolved around a complicated triangular love story and an old oriental problem of meeting the quota of executions set by the Emperor of Japan.

Principal characters in the play, backed by members of MHS' choir and orchestra, were Dave Coleman as the king, Mikado; Robbie Kolb as Ko-Ko, the Lord High Executioner; Terry Merritt as the Emperor's son, Nanki Poo; Karen Smith as Katisha, an elderly lady to whom Nanki Poo had been promised in marriage; and Linda Cottrell as Yum Yum, whom Nanki Poo loved and eloped with.

Beginning with an enthusiastic pep assembly Friday afternoon, climaxed by an exciting, 12-6 victorious scramble with her rival twin, Camelback High School, and finishing royally with a semi-formal "Persian Panther" dance, Maryvale students hosted their third Homecoming celebration November 28.

Homecoming king and queen, Dale Bauman and Pat Motte, were crowned amidst returning alumni and cherring MHS peers after the Homecoming parade, and again at the dance. First attendants to the king and queen were Connie Engstrom and Dave Mata. Second attendants were Cindy Winslow and Mike Bolen.

A Polynesian background of isolated islands, softly touched by the Peace of Christmas, set the scene of the Girls' League annual Christmas formal. Decorated to promote the theme of "Mele Kalikimaka" (Merry Christmas), the gym area displayed a shipwreck and a light house with revolving light, and Girls' League council members, present for the crowning of the royalty, dressed in Polynesian garb portraying Hawaiian Maid-

ens. The 350 couples attending the affair danced to the music of Mr. Leo Woods' orchestra.

As the evening advanced, Alii Wahane (Kathy Look) and Alii Kane (Bud Gammill), chosen above other candidates by the student body, claimed their thrones. Foreigners visiting the Isles of Christmas were given the opportunity to have their portraits taken by James Duke, and to enjoy refreshments amidst the exotic atmosphere.

Sue McMannis and Jane Sims board the plane for Chicago.

Thanksgiving marked the start of a memorable four day spree for five MHS Publications' staffers. They were flying to Chicago for the National Scholastic Press Association Convention.

Those chosen for the trip by Mr. Earl Stinson were Ken Reissig, Sue McMannis, Cary Kirkland, and Jane Sims.

The group roomed at the Edgewater Beach Hotel and spent Thursday night stocking the girls' refrigerator, exploring the hotel, and visiting with other delegates from around the U.S.

Friday began with a speech by NBC newsman, Merrill Muller, followed by panel discussions and seminars, and concluding with a get-acquainted party.

Seminars and displays continued Saturday broken only at noon for the awards banquet. High-

lighting the luncheon was an address by the editor of the *Chicago Tribune*.

That evening Mr. Stinson treated the group to dinner and to a trip around the Loop on the elevated. The Maryvale delegates topped the night off visiting the Cheetah, a nationally-known young adult night club, and buying odd trinkets in a curio shop.

Sunday was rather pensive as everyone packed bags, then joined some Chicago friends for lunch. However, a jam session before leaving for the airport livened the day.

Three transient hours after boarding their jet, the exhausted yet light-hearted five tramped off through Sky Harbor terminal, embraced members of their families and headed for home to sit up all night relating their adventures.

Mr. Earl Stinson shows weariness as he is ready to retire after a few seminars.

Panthers Win First Seven Games; Down Tucson Pueblo First Time

The Panthers opened their 1966 football season by defeating the Westwood Warriors for the first time in their short history, 14-13. As it turned out, the toe of Mickey Konesky and a tough Panther defense made the difference. Both Maryvale touchdowns came on passes from Bill Glatch to Mike Bolen. Konesky converted both times to account for the extra points. The decisive factor of the game, however, was when the Black and Gold defensive unit halted a Warrior drive at the three yard line.

A one yard plunge by John Phillips in the last quarter assured Maryvale of a 19-7 victory over North. The first Panther touchdown came when Bill Glatch elec-

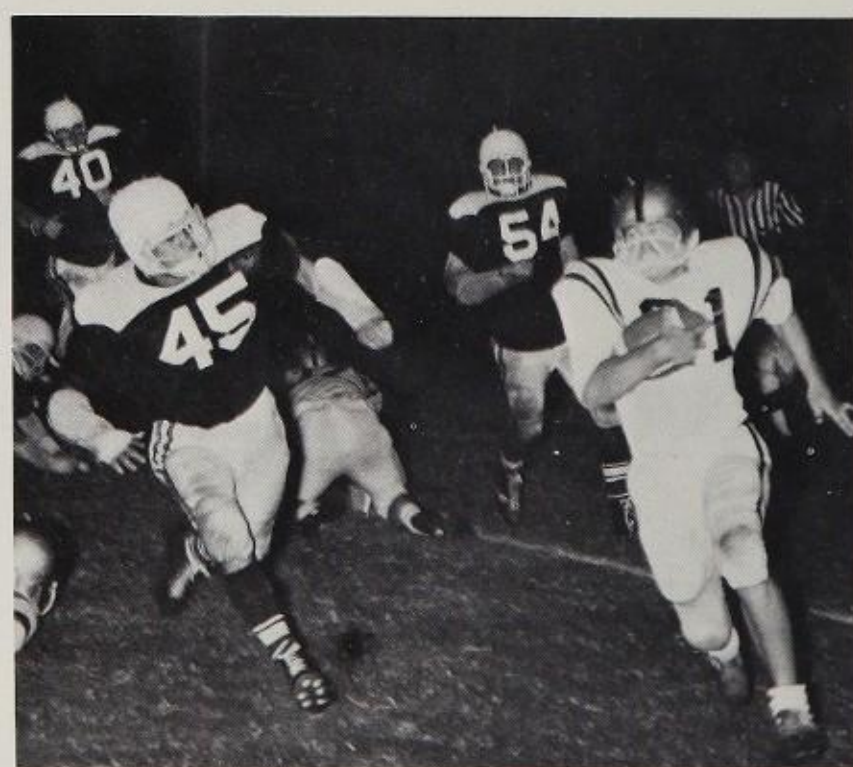

trified the crowd with a 54 yard run. Maryvale scored again when Dale Bauman blocked a Mustang punt and ran downfield for the score.

The Cats rambled on easily disposing of Carl Hayden 27-0. Larry Britto highlighted the Panther attack, catching a 49 yard touchdown pass and running seven yards off-tackle for a second score. A 45 yard interception run by Mike Bolen and a two yard splurge by Ron Baker accounted for the other two Panther scores.

Maryvale then traveled to Pueblo for their annual meeting with the Warriors. The Panthers were given quite a tussle, but rallied and came out on top 21-14 to make it four in a row.

catches the pass and rambles downfield along the sidelines.

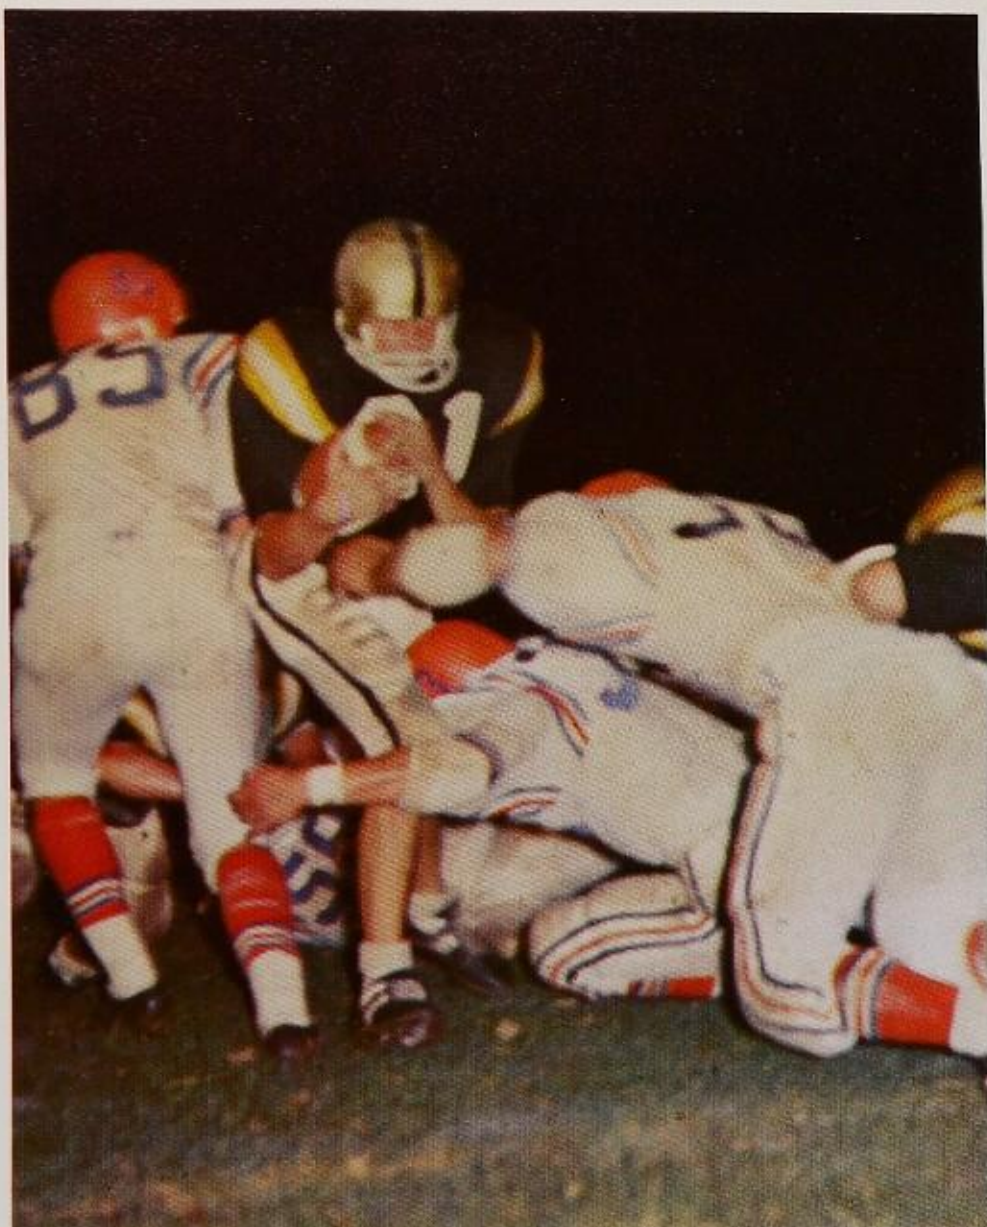

Returning to their home field, the Panthers exploded and trounced the Central Bobcats 34-7. Mike Quijada led the Black and Gold, scoring two touchdowns in the first half. Dale Bauman recovered a Bobcat fumble on the 25 yard line and ran all the way for a touchdown and Rick Potts hit paydirt from eight yards out to cap first half action. Larry Britto ran eight yards for the final Panther touchdown.

With Maryvale ranked first in the state, the Panthers invaded

Alhambra and defeated the Lions 32-13. Bill Glatch ran touchdowns of five, three, and 14 yards and also passed a 49 yarder to Larry Britto. And with eight seconds left, John Phillips, who had been the work-horse for the Panthers throughout the second half, fought across the goal from two yards out for the final Panther score.

Maryvale's Homecoming Game against the Camelback Spartans was really a thriller as the Panthers rallied in the last quarter for

two touchdowns to win 12-6. The Spartans had shut out the Panthers for three quarters and maintained a 6-0 lead when, with eleven minutes remaining, Bill Glatch fired a 73 yard pass to Larry Britto for the first Panther tally. The extra-point failed and the game was tied 6-6. The ball exchanged hands a few times and then with 1:19 left, the Panther line stormed through to block a Spartan punt and Ken Killebrew picked it up and ran 39 yards to the goal.

Panthers Fall To South, West Defeat P.U. For 3AA Title

After winning seven in a row, the Panthers met the South Mountain Rebels and were dealt their first loss 24-0. It came as quite a blow as the Rebels completely caught the Panthers off guard. South scored one touchdown each quarter with all of the conversions failing.

The Panthers continued to be stymied as they fell prey to the West High Thunderbirds and were shut out for the second consecutive time 10-0. West won on a touchdown and a field goal.

The Panthers faced the task of beating the Phoenix Union Coyo-

tes in order to retain the 3AA Title. The Black and Gold handily trounced the Coyotes 26-7. The Cats first play from scrimmage was a hand-off to Larry Britto who scooted off-tackle, running 22 yards for the touchdown. The Cats scored again in the second half when Mike Quijada threw a 48 yard pass to Mike Bolen. Bolen scored again when he picked off a P.U. pass and ran 79 yards for the score. Dale Bauman scored the last Panther T.D. when he picked up a Coyote fumble and ran 20 yards for the score.

Dale Bauman makes an impossible catch for the black squad in the intra-squad game while a white player is awed at the feat.

Cats Lose In Overtime 14-14; Colorado Playoff In Effect

The Maryvale Panthers were defeated by the Westwood Warriors in the 3AA Semi-Finals 16-14.

The game was played according to the Colorado Playoff Rules and as a result, the Warriors won by deepest penetration at the end of 12 plays and were awarded two points for the victory.

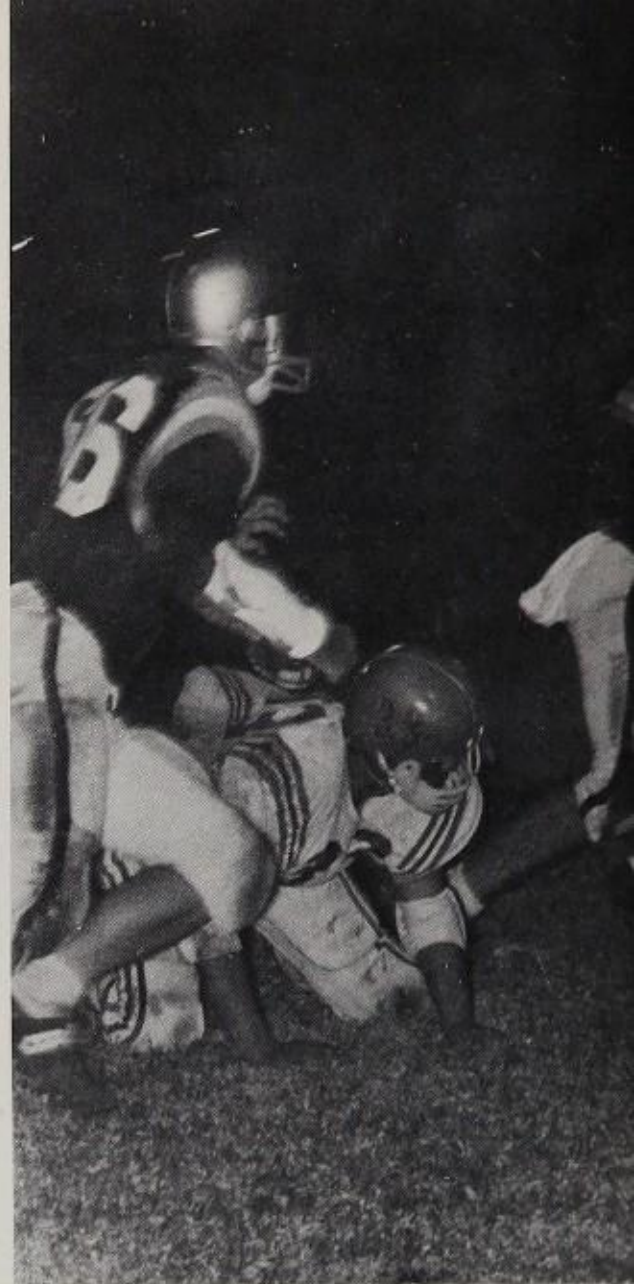

Bob Soza, the leading scorer in the state, scored both touchdowns for the Warriors early in the first quarter.

With the Panthers trailing 14-0 and nearing the end of the first half, Jeff Baker recovered a fumble on the Warrior 25 yard line which eventually set up the first Panther tally. Then with 54 seconds remaining, Bill Glatch ran seven yards around the right end and in for the score.

An interception by Gary Coley in Warrior territory set up the last Panther touchdown that tied the

game and sent it into overtime. Glatch ran it over from one yard out. With five seconds left, the Panthers got a final crack at beating the Warriors. With the ball resting on the seven yard line, Mickey Konesky came in with a chance at a field goal. The boot was wide, but due to an off-side penalty against Westwood, the Cats got another crack at it only this time from only three yards out. The kick failed again and the ballgame went into overtime which was to be played according to the Colorado Playoff Rules.

Each team was allowed six alternating offensive plays in which to penetrate the opposite team's territory. At the end of the 12 plays, the ball was resting on the Maryvale 18 yard line and the Warriors were given two points and were declared the winners by a score of 16-14.

Bill Glatch looks for a hole in the Westwood line as fellow members begin to throw key blocks. The

Merwin, Rogers Place Sixth, Eighth At State Meet; Maryvale Fourth

Coach Harold Jackson led his cross country teams to their third consecutive winning season this year by collectively winning 18 and losing 6.

The Varsity, paced by all-staters Rich Rogers and Rick Merwin, won five and lost three. Maryvale won their first three contests with victories over Camelback, North, and East. In the Thunderbird Invitational, the Panthers finished third; beaten only by Sunnyside and Phoenix Union. Central High was responsible for the beginning of a two meet slump. The Black and Gold had never defeated Central and this year they were still unable to outdistance the Bobcats. The next setback was against Alhambra the following week when the Lions nosed out Maryvale, 27-29. Despite the defeat, Rich Rogers finished first, Dave Mata fourth, and Mike Bechtel fifth. In the Squaw Peak Invi-

tational the runners ran independent of school affiliation, Maryvale team captain, Rich Rogers was the highest finisher taking fourth place. The following weeks, Maryvale ran to victories over South Mountain and West. The last meet, against Phoenix Union, the number one team in the state; ended in a disappointing defeat by the score of 34 to 41.

Maryvale won a spot in the state championship by taking third in the divisional meet. Rick Merwin and Rich Rogers finished sixth and eighth respectively in the state run at Papago Park. Phoenix Union and Sunnyside were tied for the state championship with 85 points, Casa Grande was third with 121, and Maryvale finished fourth with a point total of 130. Rick Merwin finished the number one runner on the team with Rich Rogers second and Mike Bechtel third.

Panthers Runner-Up To Central In Division Play

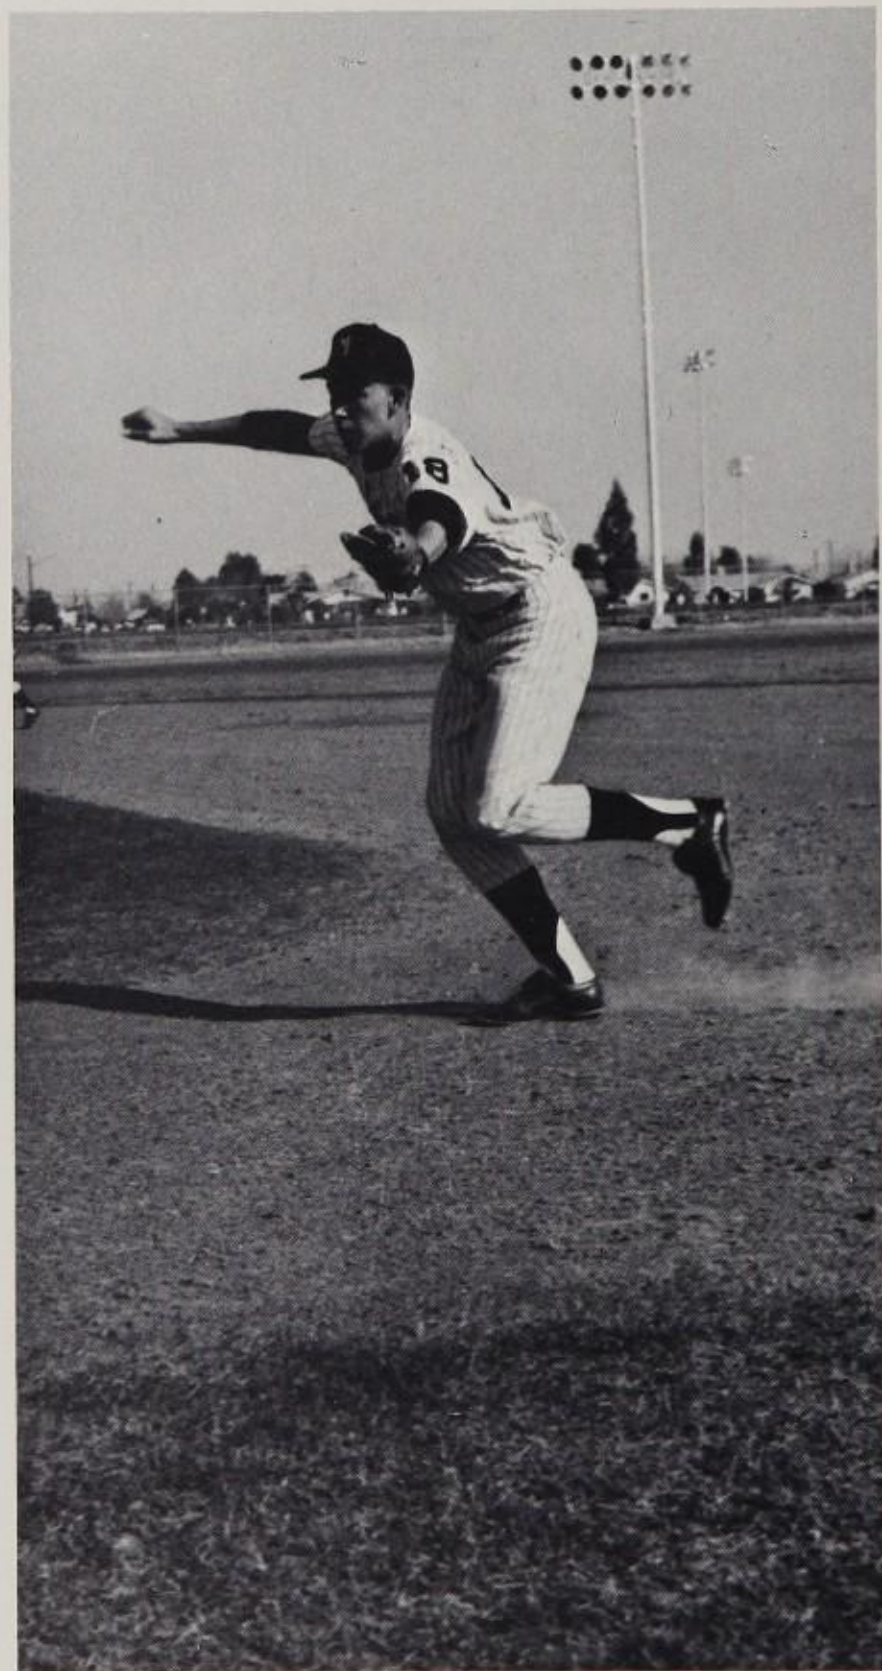

Anticipating an improved record for the 1967 baseball season Coach Gil Trejo said, "We definitely should improve last year's 10-8 record. "We lost seven of the games by one run and the

others by two." Only carrying a team of sixteen players this year required eliminating many of the players who went out. The varsity include letterman Pat Cech and

Ken Hansen sharing the pitching duties, Dale Bauman on first base, Mike Quijada, shortstop and outfielders Mike Bolen and Bill Barker.

Concert Choir, Madrigal Singers Boast Active Year

Maryvale's Concert Choir proved to be extremely busy this past year as they provided Maryvale High School as well as the entire community with innumerable concerts and tours. The Choir, under the direction of Mrs. Dorothy Beeson, gave their first concert entitled "A Musical Night To Remember" which was followed by a Christmas Concert, their part in the musical play, *The Mikado*, and a trip to the Grand Canyon in which they gave another concert. Their other activities

for the year included: a Solo and Ensemble Festival, a District Festival, and a Grade School Publicity Tour.

The Madrigals, also under the supervision of Mrs. Beeson, began the year by singing in the Phoenix Little Theatre production of "The Taming Of The Shrew." Each member of this group sings in the Concert Choir and must learn all Madrigal music on his or her own time. The group of 14 adds to the musical experience and enjoyment of the

students at MHS.

A list of their activities throughout the year include: participation in the District Solo and Ensemble Festival as well as the Grade School Publicity Tour, and concerts at the Camelback Inn and Westward Ho Hotel. Girls Chorus Performs, Entertains MHS Audience

Participating in various concerts and festivals at Arizona State University and also at the University of Arizona marked the innumerable activities in which the Advanced Girl's Chorus took part in throughout the school year.

Mrs. Dorothy Beeson continued to direct the Girl's Choruses as well as Madrigals as they performed regularly for MHS stud-

ents as well as the rest of the Maryvale community. The highlight of the year as in the past, had to be the Christmas Concert in which various selections from the "Messiah" were performed to excellence before attentive audiences.

The Girl's Ensemble is composed of the very best vocalists from the Advanced Girl's Chorus.

These girls numbering only 13 also participated in numerous concerts and festivals with the remainder of the MHS musical department. Members from the chorus could advance to become members in the Concert Choir.

As the school year came to a close, the chorus presented their annual Baccalaureate Ceremony which is held before graduation.

Cheers Motivate Panther Spirit; Pom Techniques Difficult, Exciting.

Being selected as a member of Maryvale's Cheer Leaders or Pom Pons required quite a bit more than a pair of pretty legs and a vivacious personality. Coordination, agility, and intelligence topped the list of qualifications as each girl was expected to be enrolled in her second year of Physical Education, to maintain a 3.0 or better grade average, to remain in

good citizenship standing, and to do her jumps, kicks, and routines gracefully. Creativity in dance routines and cheers was backed by hours of diligent practice and perfectionistic persistence. Members of both the varsity and junior varsity lines were chosen by last year's graduating liners at an end-of-the-year try-out session in the gym.

Maryvale's Panther Tracks reached new heights this past year as one of the most outstanding accomplishments of the staff was the use of four-column make-up on the front page.

The paper consistently came out on a bi-monthly basis with six full pages, despite the lack of student support.

In March the paper received their brand new nameplate and were able to use it only in their last few issues.

Dave Yamamoto, vice-president, brings up a point while conducting a meeting.

French Cultures, Customs, Studied By French Club

To instill interest in the French language by introducing members to French cultures and customs was the French Club's basic purpose. Maryvale's sponsor, Mr. Pete Navarrete, scheduled unusual activities for students participating in the club's curriculum. Through movies, slides, games, books, and special lectures, after-school meetings gave the students a chance to have fun with French — "an opportunity which," as President Robbie Kolb stated, "because of the time element, is frequently lacking in the classroom."

Biology Club Membership Rises; Biologist Journey "Everywhere"

The Biology Club continued to be one of the active organizations on Maryvale's campus. Bi-weekly car washes were just one of many ways in which the club helped raise money for their many field trips which varied from small excursions to sugarloaf indian ruins to large treks to the mines.

Through the direction of Mr. John Strickland and Mr. Charles Gilbert, the club's membership rose and became more enthusiastic than ever before.

By promoting the club's purpose, the members learned much from their extra-curricula activities thus furthering their studies in biology.

Thespian Production "See How They Run" Success

Dave Crosby and Karen Smith converse in an unusual funny scene.

Endeavoring to maximize quality in Maryvale's school drama productions, the Thespian Club encouraged and prepared enthusiastic young actors and actresses for the glamorous yet competitive world of stages and plays.

Under the new sponsorship of Mrs. Rosemary Williams and Miss Connie Orr, the Thespians acted as a closely knit group, working on all phases of production.

Each student was required to earn ten points, which were equal to 100 hours of production work,

in order to qualify for membership in the club.

Initiating most activities were Pat Betrus, Thespian Club President; Paul Braun, vice-president; Linda Cottrell, secretary; and Robbie Kolb, treasurer.

Throughout the year the animated members took an active part in all dramatic productions. As a result of their efforts, each play presented to the student body introduced new techniques of stage production.

Members of Maryvale's Distributive Education Club of America enjoyed earning money while gaining valuable first-hand experience in the competitive business world of today. Only those members who maintained their grade averages were enabled to continue working throughout the year. Thus, students were encouraged to recognize and accept occupational responsibility while still young and in school.

FTA Members Move Toward Teaching Careers

Maryvale's Future Teachers of America Club enabled teachers to acquaint interested students with the teaching profession. Educated speakers and enlightening films on the many aspects of elementary and high school educating, in addition to entertaining field trips, motivated

ed the various individuals to seriously consider and choose their appropriate fields of educational instruction. After the extensive and realistic training program, members of the FTA Club were well-orientated and prepared for future stages of educational administration.

Pep Club Works To Promote Panther Spirit Again

Pep Club President Kathy Look listens to a motion being made at one of their weekly meetings. The club boasted their largest membership this year.

To make Maryvale more school spirited was the Pep Club's primary objective. The club was revived midway through the football season to cheer the team to state. With the opening of the basketball season the club attempted to stir up school support for MHS's first winning team. The organization also encouraged students to attend Maryvale's varsity gymnastics team. The spring sports of track and baseball brought out the club members in support of the teams and a vigorous campaign to encourage student support.

To promote school spirit, the club sold Maryvale High Booster plates, tied black and gold streamers on car aerals, and raised the flag at football games. The club helped other school organizations by furnishing Girls' League with a Christmas tree for the formal, serving refreshments at the football and cross country awards, and ushering at school plays.

Serving the community, the Kings' Club cleared west side Phoenix of campaign posters. They served as judges in the golfers' Hole-In-One contest at Maryvale's Golf Course, and helped the Lions' Club with its sight conservation program.

Finished, at last. With the closing pages of the PANTHORIAN completed, the largest book ever of Maryvale High School is now history.

Every person holds the key to his future and it is up to each individual to decide his fate.

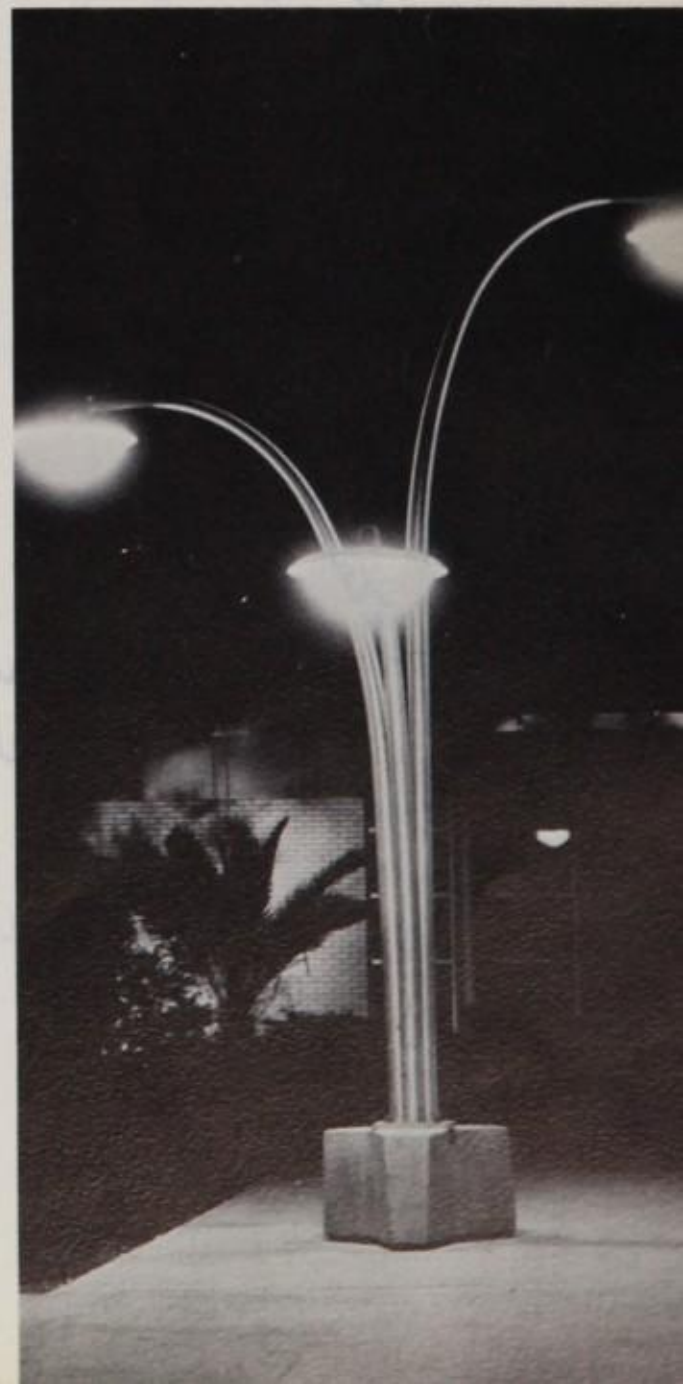

When working nights, Saturdays, and holidays, there lurked the thought that the book would never be completed, but without all the extra time put in by Jim Bremser and regular members of the staff that devoted their valuable time, it would have never been finished. To Jim and Becki Perry, who succeed me as next year's co-editors, I wish them all the luck in the world.

To the student body, I hope that they will appreciate this book and will cherish it for the rest of their lives.

I am deeply grateful for the experience I have acquired in the past year and for the honor of being editor of the 1967 PANTHORIAN.

Editor-In-Chief
